

SCREEN TFT

For quick and easy cleaning of all screens.

1. GENERAL DESCRIPTION

Special cleaner for TFT or LED screens and LCD displays, or all kind of screens with sensitive coatings. Screen TFT is a water based foam cleaner without any solvent, alcohol, white spirit or ammoniac.

2. FEATURES

- Cleaning of sensitive surfaces without stripes
- Works on most common contaminations: fingerprints, nicotine
- Stable foam during an extended period
- Does not drip off from vertical surfaces

3. APPLICATIONS

SCREEN TFT is used to clean TFT, LCD and LED screens on:

- PC monitors
- Notebooks & laptops
- smartphones
- Camcorders
- Navigation systems

Also applicable on:

- Scanners
- Copy machines

4. DIRECTIONS

- Shake the aerosol well before use.
- Spray a thin layer on the contamination and wipe of with a lint free cloth
- For heavy contaminations, the active foam can be allowed a longer time to act.
- The product must NOT come into the inner electrical parts of the cleaned device. For this reason we recommend not to apply the product direct on the screen of laptops (and devices suchlike) but spray the product on the lint free cloth and wipe of the surface with the moistened cloth.

TECHNICAL DATA SHEET 2/2

SCREEN TFT

- The cleaner SCREEN TFT is according to our knowledge and experience compatible with sensitive surfaces as coated screens (e.g. anti reflection coatings). Still we recommend to follow the instructions given by the manufacturer of the device to be cleaned.

A safety data sheet (SDS) according to EC Regulation N° 1907/2006 Art.31 and amendments is available for all CRC products.

5. TYPICAL PRODUCT DATA

Density @ 20°C	:	1,0 g/cm ³
Appearance	:	white, stable foam
Flammability	:	contains flammable propellant.

The foam is under normal circumstances not flammable.

6. PACKAGING

Aerosol : 200 ml

All statements in this publication are based on service experience and/or laboratory testing. Because of the wide variety of equipment and conditions and the unpredictable human factors involved, we recommend that our products be tested on-the-job prior to use. All information is given in good faith but without warranty neither expressed nor implied.

This Technical Data Sheet may already have been revised at this moment for reason such as legislation, availability of components and newly acquired experiences. The latest and only valid version of this Technical Data Sheet will be sent to you upon simple request or can be found on our website: www.crcind.com.

We recommend you to register on this website for this product so you will be able to receive any future updated version automatically.
